So I bless you, little children, in your endeavors, as you walk - sometimes stumbling - upon the same Path that We travelled so long ago.

Blessings and Love,

Maha Chohan, blaze through us Thy Comfort
Flame today;
And let all the life we contact Its Presence
feel we pray.
May God's pure Love flow from us to raise
and heal and bless;
And all the life we're using be charged with
humbleness.

Oh, make and keep us happy - in sunshine and
in shade;
Help us e'er to keep on praying 'til debts to
life are paid.
We ask that through our hands we may bring
release from pain;
And from Thine own great Presence draw Faith
in God again.

Oh, make and keep us earnest - in every way
sincere;
And to all convey the feeling that God is
very near -
His Holy Light expressing through heart and
head and hand;
And bringing all life Comfort from Thee,
Maha Chohan.

Beloved Children of God:

The glorious white robe of the Master Jesus is a constant reminder to the initiate and the aspirant that the Life and Energy of his own being may be woven, and IS woven, at every moment into the vehicles through which his soul must function and achieve, at last, everlasting Peace.

'To him that overcometh shall be given a white garment'. This garment is woven by the Presence into the substance of the bodies and aura of the evolving soul's consciousness when the attention of the heart is centered on the Spiritual Center from whence all blessings truly flow.

The aura around the lifestream consists of a constantly moving sea of electrons passing outward, driven by thought and feeling, and returning inward on the return course of their circular journey to find oneness in the heart of their creator. The radiation from the Presence, however, is vertical, and passes downward through the bodies, and then completes the circle back into the Presence. So you have the directive activity of the lifestream going out in a horizontal line, tieing you to the manifestation of Earth, and the more ephemeral electronic circuit coming from the Presence, and made up only of those directed thoughts and feelings which turn toward the Source.

As the greatest amount of the energy of the lifestream is directed into the affairs of the

world, that circuit is more powerful than the short intervals of contemplation, prayer and devotions that form the Divine Circle uniting you with the Godhead, and this is the beginning of that White Garment -- that Seamless Robe - which, you see, has neither beginning nor end.

Now when an individual has done with interesting himself in the satisfaction of the personal self, and more and more of the Life Energy is directed towards the Source, this Cosmic Christ Cloak or Seamless Robe, woven out of the individual's own love for God, not only increases the intensity but begins to form a natural protective ring that disconnects the energy of the life-stream from the magnetic pull of imperfect manifestation.

It is not the matter of a moment to change the currents of attention from form and manifestation into the joyous contemplation of the God-Self, and yet those individuals who have entered that discipline, when seen with the inner eye, appear to be held within an almost invisible mist that is barely discernible through their cloaks of many colors. It would take the trained eye of a free Being to show you the potential Christ Bearers of the Age, but as the person is singled out from the masses and entered under the standard of the Christ Beings, that mist begins to take more form and substance, and eventually it is the predominant vibration through the cloak or through the aura. It forms the Garment which Jesus so powerfully manifested that those who touched its very fringe were excused of their mistakes and mercifully reinstated in health and well-being.

Weave your Seamless Robes, dear hearts, each

one, so that he who touches its hem will be blessed by its nature, its quality, its gifts. To qualify that Cosmic Christ Cloak, the Spiritual Electronic Essence which is the protective power of your Higher Nature, with confidence, healing, spiritual conviction, or any one of the countless Virtues of the Universal, is to render an impersonal service in which your self can never either be recognized or acknowledged as the doer, and is the great impersonal blessing which forms the Heart Pulsation of the Brotherhood.

Blessings and Love,

MAHA CHOHAN
